

VOLUNTEER SALES/NETWORKING HELP WANTED FOR SCORE-CHICAGO

GIVE BACK TO OUR COUNTRY, HAVE FUN, AND MEET OTHER SUCCESSFUL BUSINESS PEOPLE

Are you an active, semi-retired, or retired successful business executive, entrepreneur, banker, insurance agent, broker, accountant, or consultant who would enjoy networking with small business bankers on a volunteer basis a few hours a month? If so, we need you to help us increase the number of small business owners taking advantage of our **highly-experienced free** mentoring and consulting services.

We would like you to build solid, on-going relationships with small business lenders, so SCORE stays top-of-mind, and these lenders have the confidence to make the referral.

This work requires excellent communication skills, persistence, and the willingness to make the effort to meet small business lenders. *Past selling and/or networking experience is required.* There will be some minimal introductory requirements to get you familiar with SCORE.

Join the 125 volunteers located in Cook & Lake Counties passionately dedicated to helping their community by assisting small businesses overcome challenges and grow. We are SCORE-Chicago at www.scorechicago.org. If interested, please send your resume or bio to: volunteer@scorechicago.org. One of our volunteers will contact you.
